Ashlee: On AB 508, I only included a local fiscal estimate tag in the analysis, but DSPS wants to do a state fiscal estimate. It looks like I probably should have included a state fiscal estimate as well. Does your office have an objection? If not, I'll give them the go-ahead. Let me know. Thanks.

Also, Joe Kreye will be contacting you separately regarding the technical memo from DOR, which should have been delivered to your office last week.
